MEMORANDUM FOR: Project Director of Operations
Project Director of Administration
Project Director of Materiel
Project Contracting Officer

SUBJECT: Dissemination of Project Policy Memoranda

REFERENCE: (A) SAPC 3859, dated 15 February 1956, Same Subject
(b) Administrative Memorandum No. 14, dated
19 October 1955, subject: "Signatures on Project
Correspondence"

I would appreciate it if the addressees would reread the referenced memoranda at their convenience. On several hectic occasions in the last few weeks it has probably been impossible to comply with them and such occasions will no doubt reoccur. Every reasonable effort should, however, be made to do so.
